ONLY

Prec. #187

SAFETY PRECAUTIONS: To avoid breathing of vapors and spray mist when ventilation is inadequate, approved respiratory devices must be used. Where there is likely direct contact with spray mist there should be adequate skin and eye protection.

CONTAINS ALCOHOL, KETONE, GLYCOL ETHER SOLVENTS.

Keep away from heat, sparks and open flames.
Use only with adequate ventilation. Avoid breathing of vapor or spray mist. Wear appropriate respiratory protection if general dilution or local exhaust ventilation is not adequate to keep vapor or particulate concentrations below regulated or recommended levels. Avoid contact with eyes or skin.
Keep container closed when not in use and upright to prevent leakage. In case of spillage, absorb and clean with large volumes of water immediately.
FIRST AID: In case of eye contact, flush with plenty of water for 15 minutes and get medical attention; for skin contact, flush with water. In case of exposure to high concentration of vapor, remove to fresh air. If swallowed, CALL A PHYSICIAN IMMEDIATELY. Induce vomiting.

KEEP OUT OF REACH OF CHILDREN
FOR INDUSTRIAL USE ONLY
